MADE IN SOUTH AFRICA

# Continental China

Continental China is the leading manufacturer and supplier of a quality vitrified range of tableware to the hospitality industry in South Africa. The products are manufactured to the highest standards of quality, durability and style at our factory in Blackheath, Cape Town - bringing together over 65 years of experience.

The Continental China brand has attained global recognition and proudly stands by the quality of our products, driven by our in-depth knowledge of the demands of the professional food service industry. Our ability to consistently deliver a quality hotelware range and outstanding service has made us a trusted and preferred supplier.

## Only the finest materials

Continental products are manufactured with the finest raw materials, including a high alumina content which provides strength and durability. These vitrified products have a fully glazed foot, are highly durable, scratch resistant, and carries a five year chipping warranty.

The ongoing capital investment in modern equipment ensures that the highest quality standards are consistently met, while guaranteeing continuity of supply and service levels. The high quality of service is supported by a substantial stockholding.

## Over 65 years of innovation & expertise

Being founded in 1949, Continental China has a highly motivated and experienced workforce, who have loyally contributed over the years. Special emphasis is placed on training and developing talent within the company, and many of our employees have advanced to managerial positions.

The company proudly supports the local community with ongoing social responsibility initiatives.

## A legacy built on quality and craftsmanship

Continental China was founded in 1949 by the Rosenthal tableware manufacturer from Germany. The vision was to create a brand of vitrified hotelware that would be synonymous with affordable quality and style. Today Continental China is not only respected brand in South Africa, but also exports to North America, Europe and Africa.

To satisfy the demands of today's diverse dining environment, Continental China has created a wider spectrum of design and innovation.

## features and benefits

### STRENGTH AND DURABILITY

The products are designed to perform in a busy catering environment and the alumina in the vitrified clay body gives maximum strength.

### HYGIENE

The vitrified clay body is fired at 1200° C, which ensures that the products do not absorb moisture and are more hygienic. The fully glazed base prevents the absorption of water and other materials.

### EDGE CHIP RESISTANCE 5 YEAR WARRANTY

The reinforced rolled edge ensures that the products are edge-chip resistant which improves durability.

### STACKABILITY

The products are designed to maximise space-saving in a commercial kitchen environment. The fully glazed base minimises contact, thereby preventing damage when stacking.

### TEMPERATURE EXTREMES

The products can withstand temperature fluctuations of up to 160° C, which ensures that piping hot main courses and ice chilled desserts can be served as required.

### DISHWASHER SAFE

The high thermal shock resistance ensures that the products can withstand at least 5000 dishwasher cycles. All items are designed to fit easily into the dishwasher.

### GLAZE DURABILITY

The specially formulated glaze enhances the product performance, improving stain and metal mark resistance and durability. The durable glaze prevents thermal shock and crazing.

### MICROWAVE SAFE

The thermal properties ensure that the products are microwave and oven safe, and can withstand extremes in temperatures.
